# Vendor Accreditations

مدينة الملك سلمان للطاقة  
King Salman Energy Park

An architectural rendering of a modern building complex. The main structure is a large, curved, multi-story building with a blue and white facade. It features a prominent curved section on the left and a more rectangular section on the right. The building is surrounded by a landscaped area with numerous palm trees and a paved walkway. In the foreground, there is a curved wall or barrier with a blue and white design. The background shows a clear sky and distant hills.

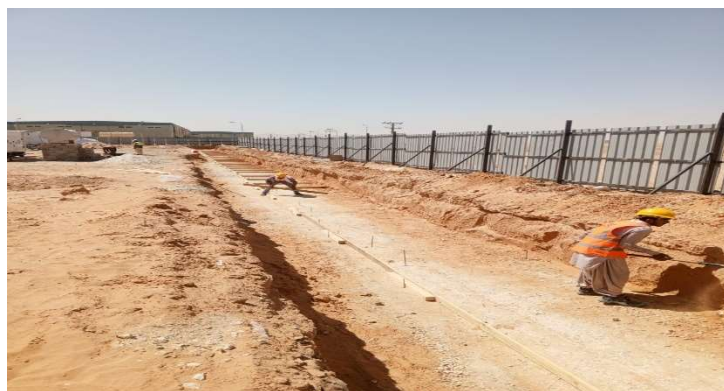

# On Going Projects

## AL Rajhi Warehouse – Al Qasim

### Scope of work:

Construction, Supply ,installation and Testing & Commissioning AL Rajhi Bank Al Qasim warehouse, Civil, Architectural & Finishing, Electro-Mechanical, HVAC System and Fire Fighting.

- **Total Area: 36,213.26 m<sup>2</sup>**
- **Type of Contract: Turnkey**
- **Completion Year: On Going**
- **Client: Al Rajhi Bank**

## ماسك اللوجستية - الدمام Masic Logistics -Dammam

### Scope of work:

Ready-made factories using steel structural system in the Third Industrial City of Dammam. the project consists of 99 factories (25 buildings) each with an area varying between 378~689 Square meters and administrative office and Mosque. with all necessary infrastructure such as Roads, loading and unloading area, parking area, water and sewage lines with holding tanks, firefighting, irrigation lines, electricity and natural lighting

- Type of Contract: **Turnkey**
- Total Area: **104,776 m2**
- Completion Year: **On Going**
- Client: **Masic Logistics**

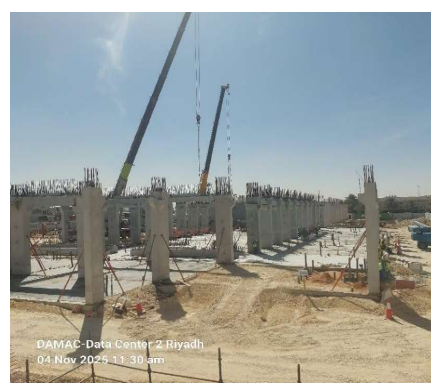

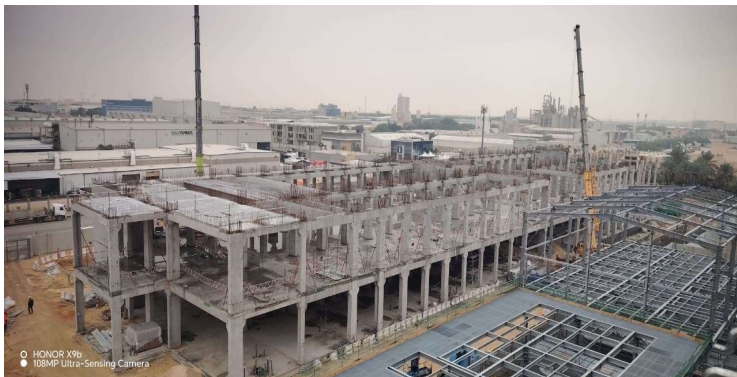

## مشروع مركز البيانات – داماك – بالرياض وسبارك

### Damac –Data Center – Spark & Riyadh.

#### Scope of work:

Enabling and shell & core works for Damac Data Center total BUA 16000m2

- **Type of Contract: Skelton**
- **Lot Area: 12000 m2**
- **Completion Year: On Going**

**The stadium bleacher in mezzanine and the first floor include 6800 spectators**

**Type of contract: MEP**

**Total Area: 6800**

**Completion Year: 2025**

**Client: Dammam University**

A grayscale photograph of an industrial facility, likely a power plant or refinery. On the left, a long wall of large electrical control panels with numerous switches and dials runs into the distance. To the right, a complex network of large pipes and machinery is visible, including a large horizontal vessel and a vertical pipe. A yellow safety railing runs along a metal grating walkway that leads towards the background. The overall scene is industrial and technical.

# MEP projects

## The works Covered and not Limited Under the Divisions as Follows:

### Electrical & Power System

- Medium Voltage Solution.  
(Switchgears, Transformers, RMU ...)
- LV Power Distribution Systems (Panel Boards & MCC Panels).
- Control Systems (SCADA & BMS).
- Internal Building Utilities.
- Underground Infra Structure.
- Street Lighting Poles.
- Generator & UPS System.
- Earthing & Lighting Protection System.
- Solar System.

### Low Current System

Building Management System.  
IP System, Data & Telephone System.  
MATV (Master Antenna).  
Public Address System.  
Security & CCTV & Access Control Systems.  
Nurse Call System & Master Clock System.  
Instrumentation Systems.

### Our services as follows :

- Firefighting Systems.
- VESSDA System.
- Fire Alarm System.
- Clean Agent Systems (Novac & FM200 & Foam Systems).

### Mechanical Construction Services

- Clean Room System.
- HVAC systems (Chiller & VRV & Central & Dx & Split Systems).
- Plumbing system.
- Fuel Station System.
- R.O & Boilers Plant System.
- Safety Firefighting System.
- Agricultural & Irrigation System.
- Compressed Air Systems & Industrial Gases System.

A photograph of a complex fire sprinkler system. The system consists of numerous orange-painted pipes, valves, and control panels. A prominent circular control panel in the center features the 'tyco' logo and the text 'SPRINKLER FIRE-ALARM'. Below this, smaller text reads 'PULL DOWN TO OPEN', 'CALL FIRE DEPT.', and 'OR POLICE'. The system is installed in a room with white walls and a window in the background. The overall scene is a detailed view of the fire protection infrastructure.

# Fire Systems Projects
